## SoloFlow<sup>®</sup> Shipped to India

### HIGHLIGHTS:

- **28,600 SoloFlow<sup>®</sup> cannula shipped to Serum Institute of India ("SII") to fulfill its first commercial order**

Telezon Limited<sup>®</sup> ("the Company") is pleased to announce to the market that 28,600 of its SoloFlow<sup>®</sup> Medical Transfer Cannula have been shipped from its contract manufacturer, Otto Klumpp Germany, to SII to fulfill the Company's first commercial order.

The Company's SoloFlow<sup>®</sup> cannula will be used in clinical trials in the Developing World. This demonstrates the achievement of another significant milestone for our Company and caps off an industrious year resulting in the commercialisation of our SoloFlow<sup>®</sup> Medical Transfer Cannula.
